2021 Official Criteria for Hosting a KyNASP® State Qualifying Tournament

*****COVID social distancing procedures will be in place until we have word from our state government that we may resume normal protocol*****

A 2020-2021 KyNASP® State Qualifying Tournament Must.....

- Be held between January 8th, 2021 and February 21st, 2021.
(All scores MUST be uploaded by 6 pm ET on Feb 21st to be considered)
- Follow the official KyNASP® Tournament Rules. Tournament admin and officiating BAI must have copies of and be knowledgeable of the KyNASP® Tournament Rules located at <https://fw.ky.gov/nasp>
- Due to our altered season this year, try to post and open Flight Selection as soon you can before the event date.
- Have capacity for a minimum of 100 archers using the social distancing protocol of one archer per target per flight.
- Have safe entry and exit for spectators while shooting is taking place.
- Allow a period of time (minimum of one day) for Kentucky schools to select flights before archers/teams from other states are allowed. Only the main host may select flight times prior to flight selection for up to 24 archers (archers will be from a single host team.)
- Have a standard NASP® range setup (including using official 80cm FITA paper target faces)
 - Lanes must be social distanced at 6 feet wide with lanes and centers clearly marked on the 10 meter and 15 meter lines.
 - 1 quivers per target set in the center of the 6 ft lane.
 - Target line, shooting line and waiting lines must be present and properly spaced. (a waiting area space must be present in front of audience seating). Archers will have a social distancing spot marked behind the waiting line for them to stand on.
 - Paper faces must be replaced after each flight (like regionals/state/nationals). Scoreboards are flat boards without clips.
- Have a minimum of one range official per 5 targets – range officials will score multiple targets (up to 5).
 - Range officials must be adults and non-students. (Certified BAI range officials are preferred. You must have one BAI certified range official on the range at all times per every 10 targets. Ex: if you have 15 targets, you need two BAI on the range.)
 - One official BAI range official will act as the Range Master. If there is a disagreement in scoring, he/she will make an official call without discussion. Good/Bad/or Ugly, a call will be made and it will be the official call.
 - The Flag Person can count as one of the officials if they are also scoring targets.
 - All range workers and announcers must watch the Lane Official Training video and Scoring Protocol video at <https://www.naspschools.org/resources/learning-center> and view the 2020 KyNASP® Tournament staff Guide at <https://fw.ky.gov/nasp> (Understanding that during the COVID crisis, we will run the range differently).
- COVID social distancing protocol
 - Archers should be temperature checked prior to entering the facility.
 - Archers should wear a mask at all times.
 - Archers should handle their own bow and arrows. It is the archer's and coach's responsibility to ensure a bow is tournament ready and compliant to all rules. Non-compliant bows will be removed from competition.
 - Archers will shoot in the center of the 6ft lane at a single target. Targets will be scored by adult scorers. Archers will verbally verify scores.
 - All archers must shoot on the same range(s). Schools cannot offer flights at "different" times or locations and restrict those flights to certain groups. For example.... They cannot allow XYZ elementary school to shoot in their own gym and use those scores. Or they cannot allow their own host school to shoot at a time not listed as a flight.
 - Range officials will score archers. They will not score archers from schools that they are affiliated with.
 - The intent is to maintain the integrity of our state qualifying tournaments and ensure they meet the same standards as the regional and state tournaments.
- Use the <http://nasptournaments.org/> and NASP_Pro.accdb software along with official scorecards and scanner.
- Individuals over registration and scoring must be BAI certified.
 - Pre-registration is preferred. Anyone registering on-site must show credentials (NASP Portal APP) of tournament registration association and have approval from head coach and school Principal. Tournament host will keep documentation of all on-site registrations including BAI number and name of BAI registering on-site. A BAI registering an archer without head coach and Principal approval will have their certification terminated. Any tournament registration volunteer registering an archer without asking and collecting appropriate documentation will have their certification terminated.
- Post the results at <http://nasptournaments.org/> after each flight.
- Finalize tournament and upload scores at the conclusion of the tournament. (after awards, before you leave for the night)
- Charge no more than \$7 per archer. Pay \$2 per scored archer to NASP®. A printable invoice will be available online after scores are uploaded. (this includes the use of the software and phone support from NASP® technology and Kentucky regional coordinators)
